

Colby Dining EXPRESS MEALS

Colby Dining is happy to provide carry out meals for students with meal plans who cannot attend regularly scheduled meals due to class conflicts, work or illness (see sick tray option below). Completed forms need to be turned in to the checker in the café (Foss, Dana, Roberts) by noon on the previous day or emailed to expressmeals.colbydining@colby.edu. Each meal requested will be deducted from the student's meal plan as if the student was eating a meal in the café. Carry Out options are available Monday to Friday only and students should pick up meals within an hour of the designated time. Students picking up meals for an ill student must present a valid ID card to verify their identity. Use one order form per meal requested.
